Rocky Mountain Regulatory Affairs Society (RMRAS)

RMRAS Presents an

FDA Submissions Roundtable

Wednesday June 9, 2010

6:00 – 9:00 pm (dinner included)

Target cost: \$30

Location to be determined

Join your peers to discuss recent trends in FDA review of premarket submissions and to share information on strategies for success and pitfalls to avoid.

The specific topics for the evening will be driven by the interests of those who sign up—drugs, devices, biologics, nutritional supplements, food additives, (and more) are all welcome. In order for us to host a given topic, we will need to have a sufficient number of interested individuals to form a table (4-5 minimum) and one person willing to facilitate the discussion at the table. No one is expected to be an expert, but we hope that everyone who attends will have something to contribute.

If you have questions about the event, please contact Nancy Sauer, the Program Committee Chair (nsauer@evergreenresearch.com).

If you are interested in participating, please respond to rmmas@themattgrp.com by March 22 with the following information.

- **Your name**
- **Submission type you want to discuss (be specific please, not just “device” or “drug”)**
- **Any subtopics that are of particular interest**
- **Whether you are willing to be a table facilitator**
- **Second choice of submission type/subtopic**

We will be in touch with respondents by early April and hope you can join us for an exciting and interactive event.
