US RAC Study Group for Autumn 2011

RMRAS is pleased to announce the formation of a Study Group for preparation for the US RAC examination or for personal learning.

The study group will meet for 10 weeks on Thursday evenings from 6:00 PM to 8:30 PM, beginning September 8th and continuing through November 10th. An optional session may be held on the 11th week, November 17th, to review any outstanding questions and to discuss study tips for taking the examination.

There is no cost for attending the Study Group. The meetings will be held at the offices of:

Reglera
11925 W. Interstate 70 Frontage Road North
Suite 900
Wheat Ridge, CO 80033
(This is near the I-70 at Ward Road exit.)

Each session will be led by one or more current RMRAS members who have experience in the subject(s) being discussed. The text used for reading assignments will be Fundamental of US Regulatory Affairs, 7th Edition. You will need to purchase the text or have access to it to receive the most benefit from the Study Group sessions. The text is available through the bookstore at the RAPS web site <http://www.raps.org/publications-amp-resources/raps-store/product-detail.aspx?ProductId=1246256>.

It is time to register for this year's autumn RAC examination, occurring from October 1st through November 30th. See the chart below for the costs of the text and to apply for taking the examination. All of the information that you will need to apply and the Body of Knowledge covered in the examination can be found at the RAPS web site (<http://www.raps.org/certification.aspx>).
